Cari Pilot berdasarkan Nomor Lisensi

License Number:

Hasil pencarian keluar sebagai berikut

The screenshot shows a web browser with a single tab titled 'View Pilot'. The address bar displays 'localhost:8080/pilot/view?licenseNumber=1111'. The page content shows the search results for license number 1111, including the pilot's name 'Delfa Sea World' and fly hour '3'. There is a blue link labeled 'add flight'.

View Pilot

localhost:8080/pilot/view?licenseNumber=1111

Pilot license number: 1111

Name: Delfa Sea World

Fly Hour: 3

[add flight](#)

3. Melakukan add flight (tambah penerbangan)

Hello!

Tambah Penerbangan

Flight Number:

Origin:

Destination:

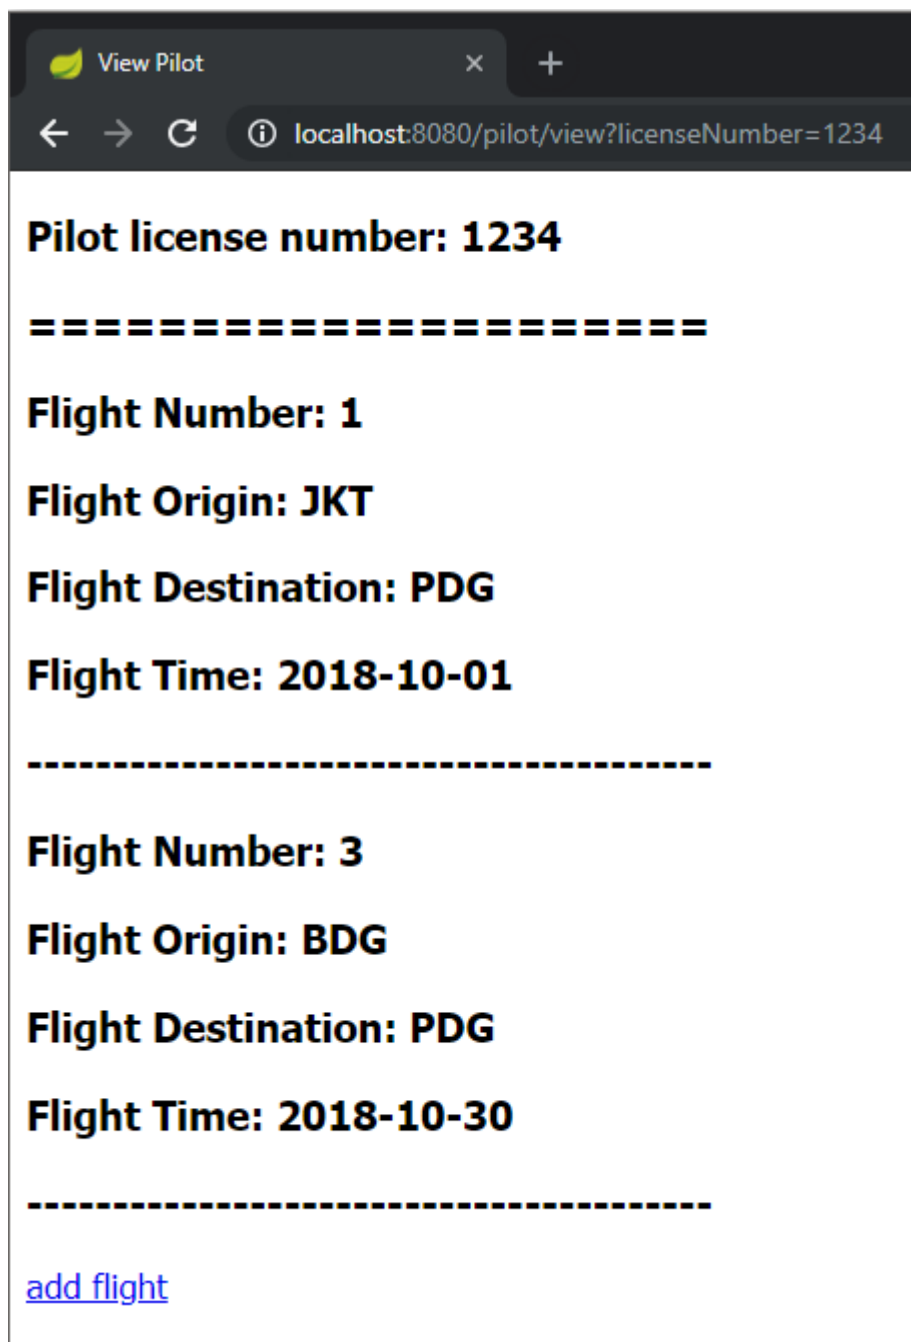

Time:

Setelah di submit data berhasil ditambahkan

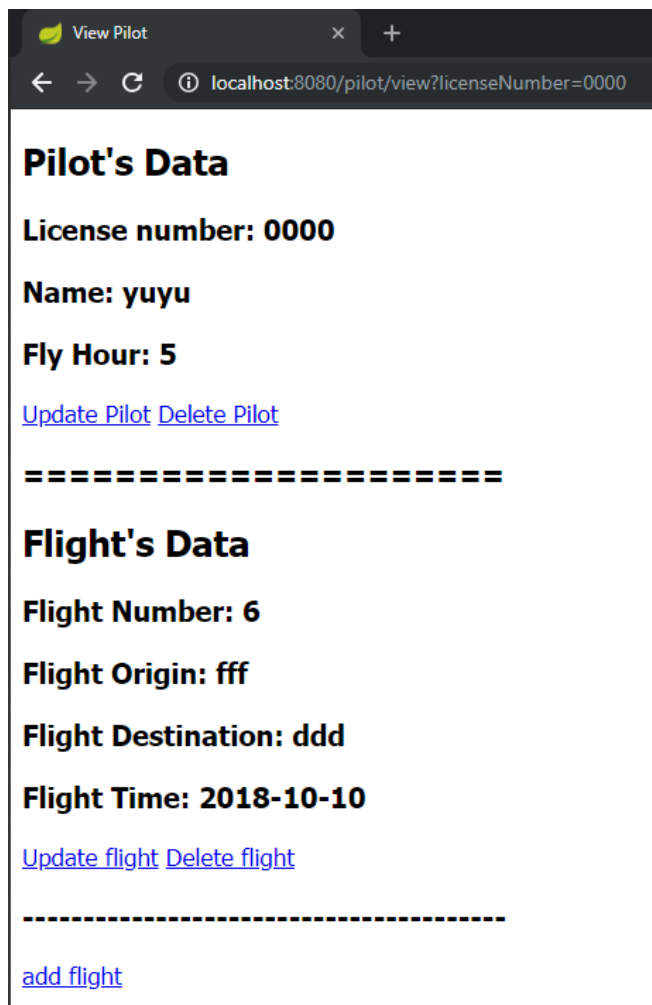

Data Berhasil Ditambahkan

4. Melakukan view pilot yang mengeluarkan hasil flight yang dimiliki pilot tersebut, di akses dari laman home fitur cari pilot berdasarkan nomor lisensi

5. Melakukan delete pilot
 - Link delete pilot diletakkan pada laman view pilot dibawah data pilot

- Bila Delete Pilot ditekan

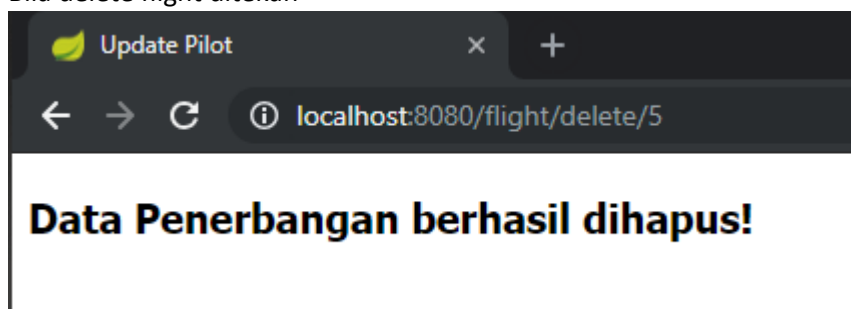

- Sehingga jika data pilot dengan licenseNumber tersebut dicari akan mengembalikan laman error karena data tidak ditemukan

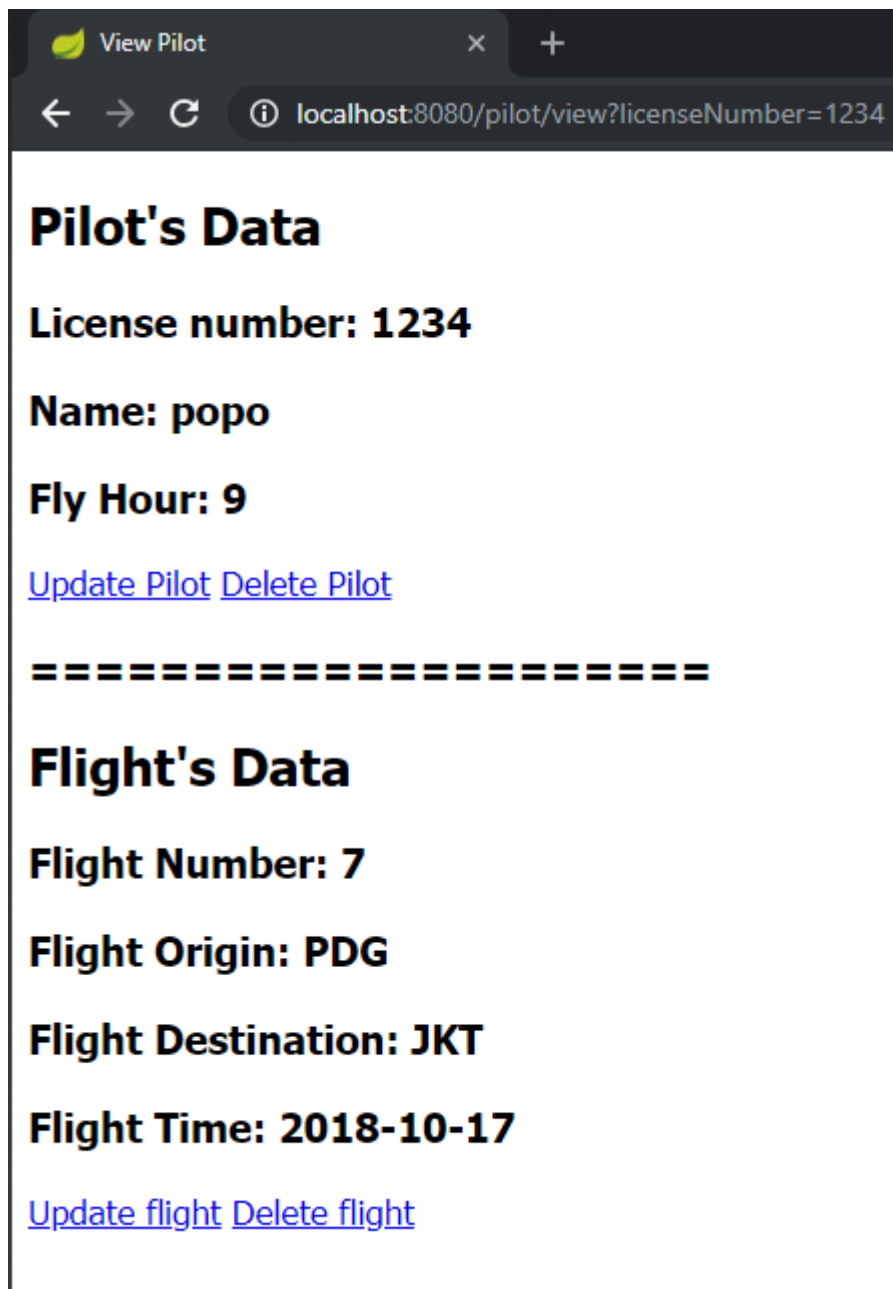

6. Melakukan delete flight
 - Link delete penerbangan diletakkan pada laman view pilot dibawah data penerbangan

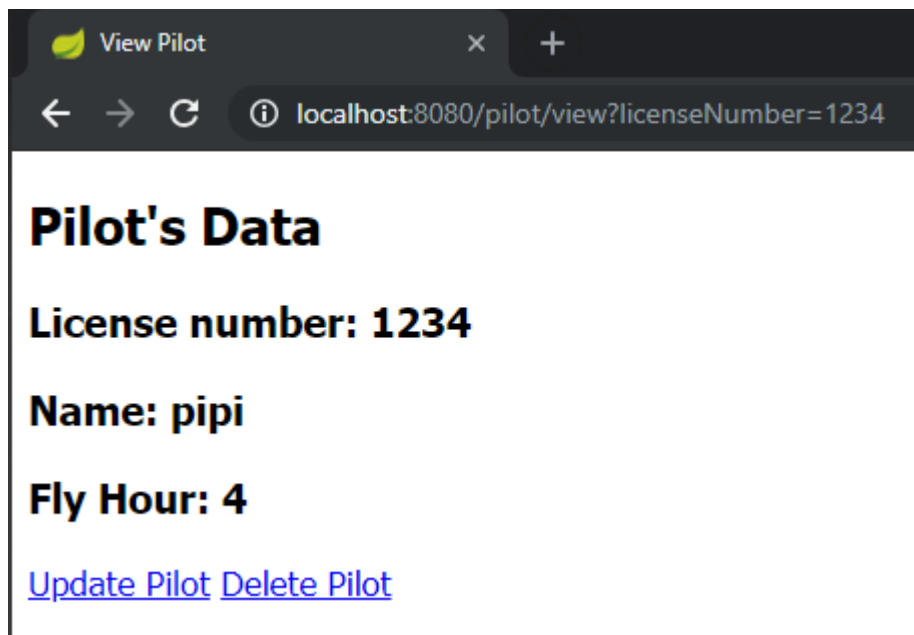

- Bila delete flight ditekan

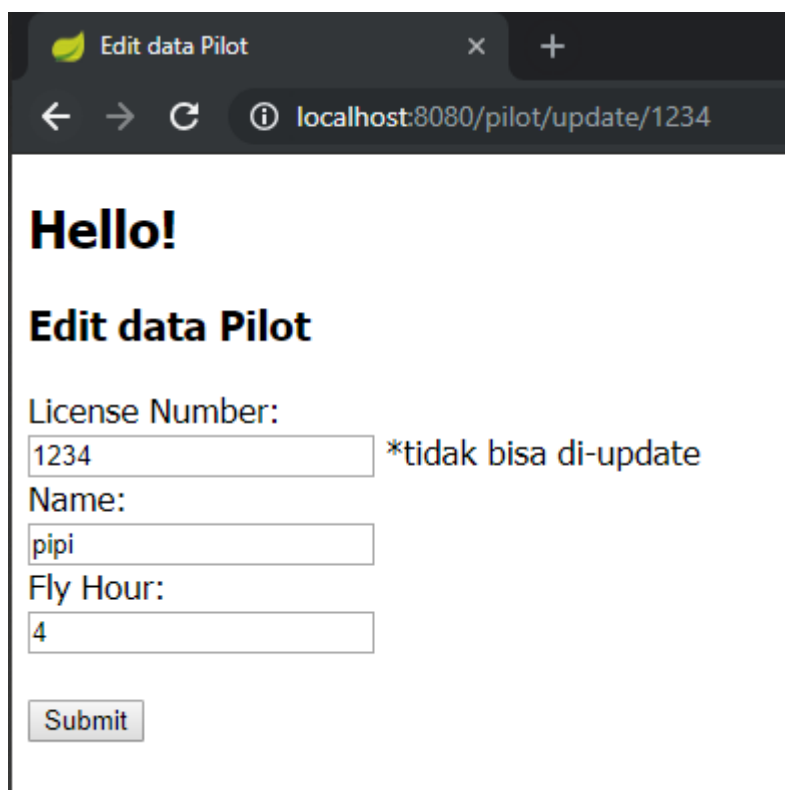

- Sehingga bila dilihat data pilot dengan licenseNumber tersebut, didapati bahwa flightNumber 6 dengan origin jjj tidak ada lagi

7. Melakukan update pilot
 - Link update pilot diletakkan pada laman view pilot dibawah data pilot

- Bila update pilot ditekan akan muncul laman sebagai berikut

Default isi form adalah data sebelumnya, ubahlah isi data tersebut dan jangan meninggalkannya kosong (sudah di handle dengan required=true)

The screenshot shows a web browser window with the title 'Edit data Pilot'. The address bar displays 'localhost:8080/pilot/update/1234'. The main content area has a large 'Hello!' heading, followed by 'Edit data Pilot'. Below this, there are three input fields: 'License Number:' with the value '1234', 'Name:' with the value 'jiji', and 'Fly Hour:' with a dropdown menu showing '5'. A red asterisk and the text '*tidak bisa di-update' are next to the License Number field. A 'Submit' button is at the bottom.

- Setelah di submit

The screenshot shows a web browser window with the title 'Update Pilot'. The address bar displays 'localhost:8080/pilot/update'. The main content area has a large 'Data Pilot berhasil diubah!' heading.

- Dan dilihat kembali maka data pilot akan berubah

The screenshot shows a web browser window with the title 'View Pilot'. The address bar displays 'localhost:8080/pilot/view?licenseNumber=1234'. The main content area has a large 'Pilot's Data' heading, followed by 'License number: 1234', 'Name: jiji', and 'Fly Hour: 5'. At the bottom, there are two blue links: 'Update Pilot' and 'Delete Pilot'.

8. Melakukan update flight

- Link update flight diletakkan pada laman view pilot dibawah data pilot

- Bila update flight ditekan akan muncul laman sebagai berikut

Hello!

Edit data Flight

Flight Number:

Flight Origin:

Flight Destination:

Time:

- Setelah di submit

Data penerbangan berhasil diubah!

- Dan dilihat kembali maka data penerbangan akan berubah

9. Menambahkan fitur cari pilot berdasarkan flight number yang akan mengeluarkan pilot yang bertugas untuk penerbangan tersebut
(Karena di soal tidak dikatakan bahwa flightNumber merupakan atribut yang unique, berarti ada kemungkinan bahwa flightNumber yang dimasukkan sama, maka hal tersebut di handle dengan mengeluarkan objek dalam bentuk List untuk di view)
- Fitur ini terletak pada laman home
